IMBIBE 'THEMED DRINKS LIST OF THE YEAR 2019'

FINALIST

AROUND THE WORLD IN 80 DRINKS

PART 5 – BEST OF

Welcome to part 5 of our 'Around The World In 80 Drinks' menu.

The menu is divided by continent, featuring 3 drinks based on ingredients from 3 different countries within the continent.

For the final part of this menu project we've decided to make a menu of the best and most popular drinks from the previous 4 parts to create a 'Best Of' menu. As always **classic cocktails are available on request** so please do not hesitate to ask.

Please **inform us of any dietary requirements** before ordering as some drinks may contain ingredients that are not listed. A lot of our ingredients are homemade in an environment that may contain nuts, dairy, eggs, sesame and other potential allergens. Please ask for more details.
